ABOUT ME

Motivated and detail-oriented ICT undergraduate at University of Vavuniya passionate about blending technology and creativity. I specialize in building clean, functional, user-friendly web applications and creating visually engaging designs. Eager to apply my skills in HTML, CSS, Java, PHP, SQL, Canva and Photoshop to real-world projects while continuously learning new technologies in a collaborative remote environment.

PROFILE SUMMARY

Detail-oriented BSc ICT undergraduate with strong foundation in programming, database management and graphic design. Skilled in front-end development and design tools. Reliable, collaborative, quick to learn. Available 15–20 hours remote.

FOCUS AREAS

Web Development

Database Management

UI/UX & Graphic Design
